YOUTH CULTURE SPECIALIST  
CO-FOUNDER, OUTSPOKEN

If you do not know what Skype, Stickam, DYNDNS, Jenkum, 420, Dirty, Buddy Lacing are, or how to trace your child's activity on the computer, you need to hear what Anthony has to say.

Knowing that kids are always two steps ahead of adults, Anthony enjoys teaching parents and communities what they need to know and understand the latest youth culture and tech trends.

Trained under Youth Culture Specialist, Donna Funderburke-McKinley, Anthony is passionate about sharing with parents the dangers our youth face each and every day. At eighteen, Anthony knows the struggles and stresses that teenagers face. He shares insight into the mind and heart of our youth. Though a very serious subject, Anthony often uses humor as he teaches parents what to look for and how to prevent heartbreak in the life of their teen.

Anthony speaks with many groups from Sunday Schools to Coffee House Meetings bringing in a positive atmosphere talking about difficult subjects.

Always on top of Ever-Changing Youth Culture, Anthony's Presentation continually evolves to cover new trends, techniques and dangers.
